

OPTIONAL OPT-OUT CONCESSION STAND DUTY \$100

The Concession stand is the main source of income for the touchdown club on game days. That means each family of a non-varsity player is responsible for working at Varsity home games (Varsity parents are responsible for working all JV and Freshman games). It takes 40+ volunteers per Varsity game, therefore last season each family had to pull game day duty at least 3 times.

If you want to be excluded from Game Day Scheduling please pay \$100 for the season and you will not be assigned duty and we will pay someone to work your shifts.

Fee can be paid through check and dropped in the red box, online @ www.ngfootball.org or at the spring game at the spirit table with credit card or check. Please indicate on the check that the payment is for "opt-out game day duty"
